Subject: Response on the submission by bank with Complaint No. N20262700700016
Fraudulent Transaction Complaint

Respected Sir/Madam,

I am writing in response to the version submitted by the bank in the above-mentioned matter.

At the outset, I wish to categorically state that I, the complainant, have never received any OTP (One-Time Password) in relation to the alleged transaction, nor have I authorized or acted upon any such OTP at any point in time. The claim made by the bank in this regard is completely false and misleading.

It is an admitted position that the transaction in question was fraudulent in nature. This is further evident from the fact that the bank itself has already reversed an amount of Rs. 25,000/- to my account as partial compensation. Once the bank acknowledges the fraudulent nature of the transaction, its subsequent stand of recovering or holding me liable for the remaining amount of Rs. 73,539/- is wholly arbitrary, unjustified, and untenable in law.

The bank has failed in its duty to ensure the security and integrity of my account and has not provided any credible evidence to establish my involvement or negligence in the said transaction. In the absence of any authorization on my part, fastening liability upon me is not only unethical but also illegal.

In view of the above, I respectfully request your good office to direct the bank to:

Reverse the remaining amount of Rs. 73,539/- immediately.

Provide appropriate compensation for the harassment and financial loss caused to me.

I further submit that I have acted promptly upon noticing the fraudulent transaction by blocking my card and reporting the matter to the concerned authorities, including the Cyber Crime Branch.

I request that my complaint be decided in my favour in the interest of justice.

Thanking you.

Yours faithfully,
Paramjeet Singh

Subject: Request for Cancellation of Fraudulent Transaction and Refund of Rs. 98,539/-

Dear Sir/Madam,

I am writing to formally bring to your notice a fraudulent transaction on my ICICI Bank credit card 6528-6901-1458-1007. On 11 July 2025, an amount of Rs. 98,539/- was debited from my credit card account without my authorization.

I had immediately reported the matter to the Cyber Crime Police, Phase-7, Mohali, Punjab, and a complaint has been registered, Complaint Number 3250725002324. Following my complaint, ICICI Bank refunded Rs. 25,000/- as on dated 09 February 2026 into my credit card account instead of Rs. 98,539/-. However, the remaining balance of Rs. 73,539/- has been demanded from me, which I strongly believe is incorrect as I have not authorized this transaction in any form.

I request ICICI Bank to:

Cancel the fraudulent transaction of Rs. 98539/- completely.

Refund the remaining balance of Rs. 73,539/- to my credit card account immediately.

For your reference, I am enclosing the screenshot of my credit card transactions highlighting the unauthorized debit. Please treat this as an urgent matter and update me regarding the refund process at the earliest.

I trust ICICI Bank will take prompt action to resolve this issue and safeguard my rights as a customer.

Thank you for your immediate attention.

Sincerely,

Paramjeet Singh
